SOFTWARE ENGINEERING EXPERIENCE

Software Engineering Immersive | General Assembly | Remote July 2022 - October 2022

Successfully completed 500+ hours of expert-led instruction of Front-End Frameworks, Front End Development, API/Full Stack Development Development, and hands-on learning of Software Engineering fundamentals and the industry's most in-demand technologies. Developed projects, include:

- 1) [BraveHeart Application](#): Multi Page CRUD application using Javascript, Express, EJS, Mongoose, MongoDB, HTML, CSS
- 2) [Comic-World](#): Full Stack application using React, CRUD, Javascript, Html, CSS, JSX, Mongoose, MongoDB, Express, and API to create a Single page application
- 3) [Yello](#): Full Stack application using React front end, Django backend. Also used Javascript, HTML, CSS, PostgreSQL, React Routers, JSX, API, and user Authentication.
- 4) [Dial'n](#): Full stack application using Ruby on Rails. Allows users to sign in and create a post which tracks time post is created as well as tracking location. Used a variety of ruby gems with custom styling.

PROFESSIONAL/WORK EXPERIENCE

C&A Flooring

August 2020 - July 2022

Project Management, Chicago IL

- Supervised over 50+ residential and commercial interior design projects, leading sites to meet deadlines efficiently.
- Managed meetings with architects, head contractors, and other stakeholders, serving as a thought and accountability partner.
- Advised on budget management and price negotiation to provide an accurate project estimation for clients
- Fostered trusting and reliable relations with clients by regularly communicating updates while managing expectations.

Amita Saint Joseph Medical Center

August 2021 - December 2021

CTRS Intern, Joliet IL

- During this role I organized and managed patient evaluations and patient charting in a behavioral setting. I designed Therapeutic Recreation programs to develop measurable goals for individual treatment plans.
- Documented Individual Patient assessments and evaluations.
- Facilitated patient wellness educational group sessions, while providing patient feedback to the interdisciplinary behavioral unit team.

NorthWestern Special Recreation Association

May 2021 - August 2021

Inclusion Supervisor, Rolling Meadows IL

- I organized and assisted in a summer camp that supports the inclusion of children diagnosed with mental disabilities.
- Facilitated group activities and managed safety supervision, implementing recreational activities such as, soccer, tag, variety of indoor activities and board games.
